

Board Meeting Minutes

Rocky Mountain Creative Quilters

November 20, 2008

The meeting was opened by Stephanie. Minutes for the October board meeting were not sent out yet.

Kit distributed an updated Financial Statement, there were no issues. Not many membership renewals have been received yet – we need to urge people to rejoin. We are selling some wholesale calendars, and some other sales – wholesale sales are down from last year. The new board will need fundraisers for 2009 – the group cannot sustain itself and pay for the Senior Center and speakers on dues alone. One of the fundraising ideas for June – a studio tour of longarm quilters in the area. Another possible idea is an auction. A committee should be set up early in the year to get started on fundraising ideas.

The programs VP's have a meeting with 2009 committee members on 12/9. Programs for September, October, and May are already booked, several more still being lined up.

The new board will need to decide if we want to host the CQC in July, there is still time available to decide that.
