Values—Another Tool

Participants will do a few practice exercises that hone in on the use of value. They will also use fused fabrics to create a small quilt top of a pictorial image. Some people will finish a sample quilt. Joan Sowada will supply all fabrics and images needed for the class, however participants are encouraged to bring fabrics of their own choosing in a full range of values (example: white, light gray, medium gray, dark gray and black), and can also bring photos for consideration as suitable art quilt images. If you choose to bring your own image, it should be enlarged to at least 8"x12.". You can check values by printing it in black and white as well as in color.

Bring a sack lunch and drinks. Fast food is available 10 minutes away from the facility.

Class Fee:

The cost of this workshop is \$45 for RMCQ members and \$55 for non-members. Joan will have a small kit available that contains an image and some fabric if you prefer not to bring your own. The kit fee is \$10 payable at the workshop. For more information call Janet Pugh (970- 484-5184) or Maxine Carlstedt (970-37-0012)
